Clarification of News Report

We refer to the letter of the PSE, asking us to clarify or confirm today the quoted statements below in relation to the following news article entitled "MacroAsia hikes 2018 capex to P3B" published in the July 21, 2018 issue of manilatimes.net. The article reported in part that:

"AVIATION-RELATED support services provider MacroAsia Corp. said it increased its capital expenditure (capex) program this year to P3 billion to finance expansion projects.

'We're spending actually P3 billion rather than P2.8 billion as reported previously,' MacroAsia Chief Financial Officer Amador Sendin told reporters at the sidelines of the company's annual stockholders' meeting on Friday.

. . . . In April this year, MacroAsia was reported as saying it planned to spend P2.8 billion for 2018, but Sendin said their budget has been increased by 'another P200 million.'

. . . ."

We confirm the statement on the increase in the capital expenditure to Php3 billion for 2018 as quoted above. We trust that this clarifies the news item mentioned above.
